Letter of Appointment

Dear Prof. Kris Singh,

In recognition of your extensive high tech industry experience in Silicon Valley and your impressive work with major universities around the world, Big Data Storage and Analytics Technologies Center on the NCDE platform at Lomonosov Moscow State University is very pleased to appoint you as an International Advisor.

Big Data Storage and Analysis Technologies Center on NCDE platform of Lomonosov Moscow State University specializes in research and consulting work in the field of data science and has considerable experience in providing these services for leading Russian companies (PJSC Aeroflot, JSC Rossiya Airlines, JSC Russian Railways, PJSC Gazprom, PJSC Rosneft, OK RUSAL, PJSC Novorossiysk commercial seaport, and other.), federal and regional government bodies (the Ministry of education and science of Russia, the Department of transport and road infrastructure development of Moscow, Government of the Republic of Sakha (Yakutia), and other).

Big Data Storage and Analytics Technologies Center on the NCDE platform at Lomonosov Moscow State University is looking forward to building our team work and your guidance for building collaborations with major organizations around the world.

Director for Commercialization of
the NTI Competence Center
Vice-Rector

Oleg Karasev
